FOR THE DISTRICT OF NEBRASKA

IN RE: TERMINATION OF POLICY ON
MASKING AND COURTHOUSE
ENTRY DUE TO COVID-19

GENERAL ORDER NO. 2023-04

On August 18, 2022, the Court issued [General Order Number 2022-09](#), which required, among other things, that all persons in a federal courthouse in Nebraska wear a mask in public spaces in the courthouse when COVID-19 Community Levels are “high” based on the CDC’s COVID-19 County Check.

In light of improved COVID-19 conditions and in consultation with the judges of the Court, General Order No. 2022-09, is hereby rescinded.

Nothing in this General Order prevents a presiding judge in a court proceeding from directing or permitting the use or removal of masks by participants in that proceeding.

IT IS SO ORDERED.

Dated this 10th day of May 2023.
